Leisure Groups

With its close link to hotels and wealth of experience in handling leisure or special interests groups, the company is well-equipped to make all series and ad-hoc group travel requirements.

Outbound Services

The company offers a wide spectrum of outbound services which include airline ticketing, destination packages, worldwide hotel reservations, land transportation services, cruises and etc. The company is a member of IATA, MATTA and SKAL.

Cruises & Shore Excursions

The company also specialises in providing shore excursion services to international cruise liners or passenger vessels calling at any ports in Malaysia. Its shore excursion programs are tailored to the shore-time available at each stop of the cruises.

The Standards

In today's fast-paced world, efficiency and quality are essential. With its own facilities and extensive supplier network, plus its consistent quality control, the company has the advantage over others in the meeting the needs of its valued clients.

The Commitment

We are committed to deliver, and to provide a unique travel experience for all visitors under our care. Customer satisfaction is our ultimate objective.
